4. A Well-Planned City

We consistently improve our community's quality of life as it grows and changes, honoring our sense of place and the 'Bozeman feel' as we plan for a livable, affordable, more connected city.

LET'S CLEAR UP WHERE WE'RE CLEARING UP

250 MILES OF CITY STREETS:

The City of Bozeman's yellow snow plows clear most of our city streets after snowfall. Our priority is emergency and main arterial commuter routes, beginning as soon as it starts snowing (even at 3am).

N. 19TH, N. 7TH, MAIN STREET/HUFFINE, AND N. ROUSE are all designated state roadways and are plowed and maintained by the Montana Department of Transportation (orange trucks). Questions or concerns about these roadways? Call 406-556-4700.

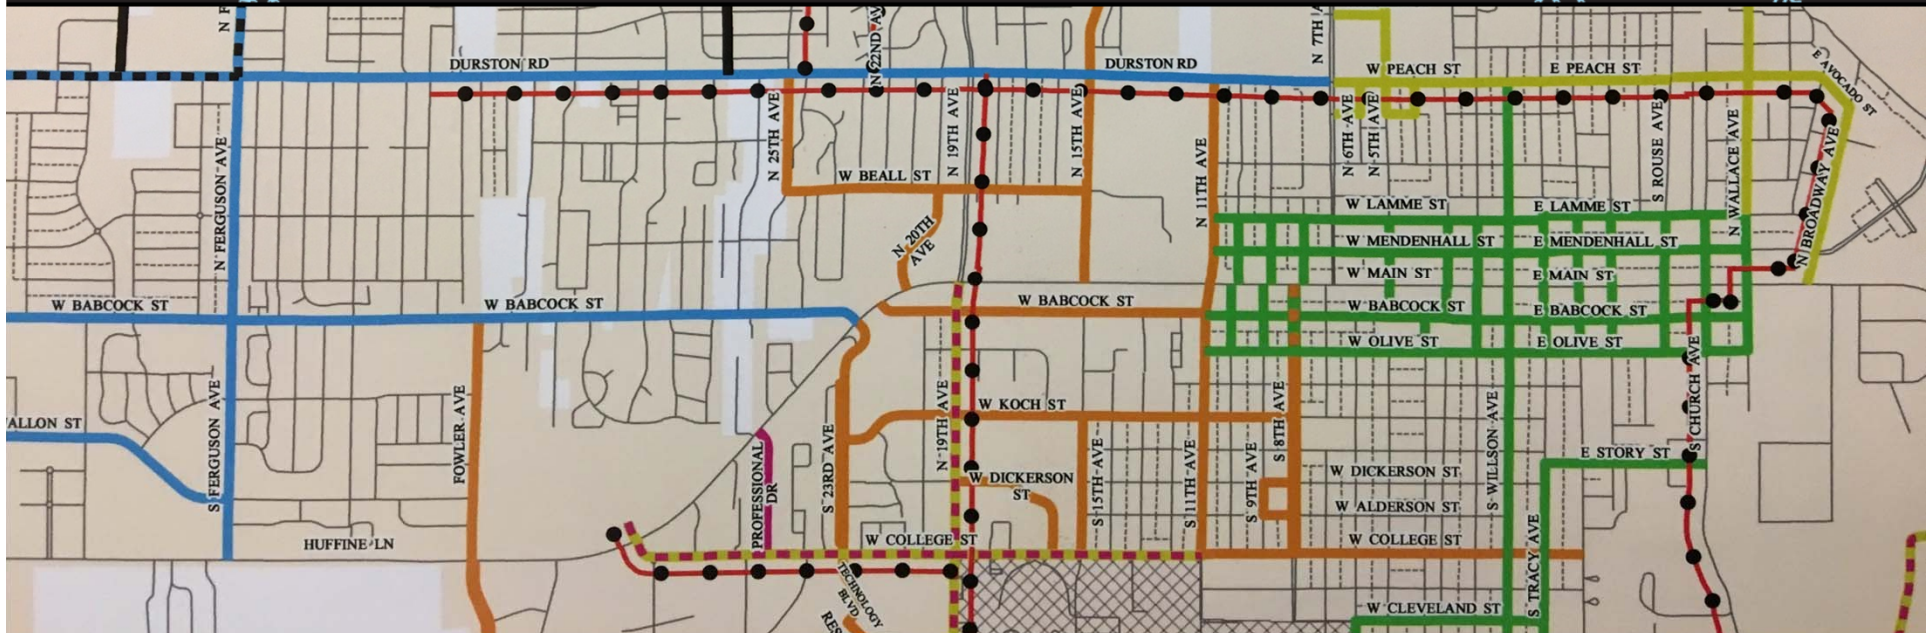

"BLUE STREETS"

If your street sign is blue, or marked private, plowing is managed by your HOA or a private snow plow company. Contact your HOA to find out who's in charge of plowing your street.

5. A Creative, Learning Culture

We expand education, arts, expression, and creativity for all ages.

Public Libraries are logical partners for local economic development initiatives that focus on people and quality of life. –Community Wealth.org

6. A Sustainable Environment

We cultivate a strong environmental ethic; protect our clean air, water, open spaces and climate; and promote environmentally sustainable businesses and lifestyles.
