REGION 4 QUARTERLY LOG PRICE REPORT
Based on a survey of mills

Produced by:
Bureau of Business and Economic Research
University of Montana
Missoula, MT 59812

Reporting period:
4th Quarter, 2024 (October-December)

The following information is a summary of recent log prices reported by primary processors of the species listed. These prices are not necessarily a reflection of current market prices, as these may vary a great deal based on log diameter, length, quality, contract size and terms, and a number of other factors. All information reported is price delivered to the mill site.
